

**PROVIDENCE SAINT JOSEPH MEDICAL CENTER
CONTINUING MEDICAL EDUCATION**

DATE: 1-12-12
SPEAKER: Lee Rainie

TOPIC: The Rise of the e-Patient

LEARNING OBJECTIVES

At the end of the presentation, attendees will be able to:

- cite data on changes in the use of mobile devices and social networking for health information gathering over the last decade and subsequent consequences for the “information ecosystem”.
- discuss how the social networking revolution has affected health care searches, interactions, and decision-making.
- determine what role health care providers can play in social networks and the risks and benefits of doing so.
- explore diversity and the “digital divide”.
